**Remember**

Your responsibility, by God's enabling, is to consistently apply the divine principles and truths you have heard (Philippians 2:1-13; 1 Timothy 4:7-9; James 1:22-27). As you meditate on this message, ask yourself these questions:

- How does God want my beliefs/actions to change?
- How can I accomplish this change?
- What is the first step toward bringing about this change?

- How was Daniel faithful to God?
- What did God reveal about Himself by saving Daniel?

**Practice:** Help your child apply these truths in the following ways:

## Missions Corner

The goal of AiG is to equip Christians and evangelize the lost. This is accomplished through many different avenues, the main ones being the Creation Museum and the newly completed Ark Encounter. But AiG also ministers through radio programs heard worldwide, through conferences and international outreaches, through biblical curriculum materials, and the *Answers Magazine*. They also conduct ongoing research that upholds the biblical truths of creation and the flood. We are privileged to join in prayer and support for this vital ministry.
